Dear Lowell:

Subject: ACT/045/017

Barrick is in receipt of your October 14, 1986 letter issuing tentative conditional approval for our amended mining and reclamation plan. We concur with conditions 1 through 3 as described. Condition 4 has been satisfied, and a copy of the State Engineer's approval is attached for your review. Barrick is now preparing the necessary revised reclamation surety contract documents, and submittal is anticipated within two weeks.

I appreciate your cooperation in the matter and look forward to continuing a good working relationship.

Respectfully,

Glenn M. Eurick  
Environmental & Occupational Health Coordinator
